*Time allowed: 75'*

**Write a well-organised argumentative/opinion essay on only ONE of the following topics (300-400 words).**

1. Parents are seen vital to teach children how to be good members of society. However, other people argue that school is the place to learn this. Which one do you agree with? Provide reasons for your answer. Include relevant examples from your own knowledge or experience.
  
2. Some people argue that students have to wear school uniforms, but some others argue for just the opposite. Which one do you agree with? Provide reasons for your answer. Include relevant examples from your own knowledge or experience.
