### EXPLANATIONS

- 1) Candidates accepted into the Medicine and Dentistry programs and granted the right to final registration must complete their registration by September 21, 2026. Candidates who do not complete their final registration by September 21, 2026 will lose their right to final registration.
- 2) Candidates who are eligible for registration must upload the documents required for temporary registration online at <https://www.ktu.edu.tr/oidb> within the specified dates.
- 3) Candidates who have completed their online provisional registration must submit the original copies of their registration documents in person to the International Student Office of the Student Affairs Department by September 30, 2026 (September 21, 2026 for the Medicine and Dentistry programs) to complete their final registration. Candidates who do not complete their final registration will be dismissed from the University before starting their education, including language preparation.
- 4) Whether or not additional placement will be made will be made based on the decision of the University administration, taking into account the vacant quotas.
- 5) Candidates who are placed in any program but have not registered cannot apply for additional placement if it is opened.
